Working with you for a better environment

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth. www.brotherearth.com

COMPATIBLE WITH
WINDOWS

Works with
Apple AirPrint

* The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

[▼] Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).

[^] Drum yield is approx., and may vary by type of use.
